

## Tasty Maple Hot Dogs

1 lb hot dogs  
1 T butter, melted  
1 T soy sauce  
¼ cup maple syrup

Combine butter, soy sauce and maple syrup in fry pan. Score hot dogs or cut into pieces and add to simmering sauce. Stir until meat is coated and then simmer until sauce is dark and slightly thick. Good both as a main dish and as an appetizer. Try the sauce with your favorite crockpot appetizer meatballs.
